CASE-NO-25-531

To the Clerk and Judge Wolson

I'm writing because of this endless nonsense I've been here 6 going on 7 months And they have ordered the so called evaluation which was taken care of at my motion to dismiss in August of 2024. But now they have one scheduled for the 21st of February And two court dates have passed that I was never informed of or aware of and another on the 18th right before said evaluation. But I've sent you some documentation to help you further understand the turpitude of these peoples behavior. And since this letter might reach you first I thought I would send it knowing you have other cases and the counselor here Mr Izwalt has'nt got around to seeing me And I've seen him several times And it's now going on two weeks. That being said I thought I would

reach out And let you know the
name of their game is delay
And prolong the outcome of
this situation. It is the most
pathetic And unprofessional
behavior by people I've ever
seen. With no regard for
Anyone's time,

Thank you
Reginald Dwyer
